Boost Your ESG Rating Course

Identify low hanging fruit to Improve your ESG rating

This workshop is designed to help organisations find ways to improve their *Environmental, Social* and *Governance* (ESG) rating. This course focusses on breaking the complexity into bite-sized pieces. A perfect course to improve your ESG score without overcomplicating the process. This practical course provides easy, cost-effective strategies to enhance your ESG performance. Discover quick wins in energy efficiency, waste reduction, work practices, and transparency. Discover how small, strategic changes can boost compliance, investor confidence, and brand reputation. With real-world case studies, checklists, and actionable steps, you'll leave with a clear plan to elevate your ESG score.

Key Course Content:

- Risk Management 101
- Identify and manage ESG risks in your organisation
